## Have you heard about the new hi-tech initiative? Keshet's partnership with 1point8

1point8 is an initiative established by employees in the high-tech industry, who have joined together to find a new way to reduce gaps in Israeli society - by allocating 1.8% of their options or shares towards a social investment in non-profit organizations.

The initiative is open to all hi-tech employees, at any stage of their career.

Keshet is the financial platform of this new initiative.

## The Keshet Donor Portal was launched this year: A digital platform for donors to manage their giving.

Donors can:

- View their account balance
- View information on their annual returns (for investment portfolio owners)
- Search for registered organizations
- Recommend grants
- View grant history

And more!

our new portal!
